

27 – 29 October 2017

The inaugural 2017 Multihull Solutions Moreton Bay Rally is shaping up to be an exciting weekend of socialising on the water, and we'd love you to join us!

This weekend of casual boating combines fun cruising with a spectacular social calendar plus exceptional prizes along the way, all set against the backdrop of the beautiful Moreton Bay cruising grounds.

The Multihull Solutions social rallies and rendezvous always draws a fabulous crowd of participants who fully embrace the event's emphasis on *fun*. These events are a unique way to meet other multihull owners and enthusiasts, exchange cruising stories and tips, learn about other multihull brands and models, and experience the most picturesque spots in Moreton Bay over one unforgettable weekend.

The event's itinerary combines sailing with stops for memorable social functions and private relaxation. The weekend's festivities are a highlight for these events, and competition is always strong for the many special prizes awarded to those who display the true spirit of the Rally.

Please note: the Multihull Solutions Moreton Bay Rally is not a racing event, therefore you do not need special racing insurance. We do, however, recommend you ensure appropriate insurance is held to cover you, your boat and crew for the duration of your travels and cruising.

RULES (as always):

- 1. Have a good time!**
- 2. Sail safely!**
- 3. Have a good time!**
